

## SUNSHINE ACTION 耀陽行動

### Performance of Year 2020

During the 1st year of the Pandemic, SUNSHINE ACTION performance is better than the previous year of 2019 and it has been the most active year ever. We conducted non-stop programs from the beginning of the 1st wave, then always keeping the programs and events active through the 2nd-3rd and 4th waves of the outbreak in Hong Kong. The Sunshine Fortune Bags are generally 80% heavier than last year and from the Summer of 2020, we tripled the quantity comparing to the same period the year before.
